MEMORANDUM FOR: Chief TSD/Training

25X1A

SUBJECT: [REDACTED] Course

REFERENCE: Memorandum from [REDACTED] Training to
DD/P Training Officer dated 7 August 1961
same subject.

25X1A6b

1. The paucity of students from the Clandestine Services available to attend the [REDACTED] Course has been of concern to the undersigned, and I am sure to the Office of Training, for some time past. At the moment I have no ready answer to the problem of limited enrollment but have instituted a poll within appropriate areas of the Clandestine Services in an attempt to establish the current and future need of this instruction. Upon completion of this study we should be in a better position to make plans for future conduct of this course.

25X1A

2. In the meantime it seems logical that TSD reduce the personnel investment in support of [REDACTED] as suggested. This is, of course, with the understanding that TSD can and will support the Operations Course, Operations Familiarization Course and any future conduct of the [REDACTED] Course in a manner to which the OTR has become accustomed.

3. It is suggested that TSD/Training consult with the Director of Training re the change of assignment of Mr. [REDACTED] in accordance with the terms set forth above and in referent memo.
